Invitation

Everyone interested in good Shorthorn Cattle is cordially invited to attend our next show and sale of the Interstate Shorthorn Breeders Association at Sioux City, Iowa. The sale cattle will be judged on Monday, February 13th, 1956, beginning at 9:30 A. M. George Lighthall of Keldron, South Dakota, will serve as our judge this year. The annual banquet and business meeting will be held as usual, at the Hotel Mayfair Monday evening at 6:30. The sale begins promptly at one o'clock Tuesday, February 14th.

This will be the forty-third show and sale held in Sioux City by the Interstate Shorthorn Breeders Association. That covers a long period of time. I wonder if there is another Association in existence that has continued to function that long.

For this sale, we had 75 bulls and 30 females listed but the directors thought that was too many bulls and did not want to oversupply the demand so each director inspected the cattle in his locality and selected the top bulls from that number. As a result, we do have what we consider the best offering ever sold in a Sioux City Sale and can assure our patrons they will not be disappointed in the quality of the cattle catalogued. The get of those good, high-priced bulls purchased by our regular consignors the past few years is available for our annual sales now. The good bulls catalogued are of serviceable ages for the most part and car-load buyers can fill their orders here.

The sale cattle may be inspected on Sunday before the sale if desired. The show and sale will be held at the sale barn near the stock yards, as heretofore. Banquet tickets may be secured from Mark C. Cord or F. E. Jackson at two dollars each, to partly cover the cost. Mr. Cord has arranged an excellent program and those who attend will be well fed and well entertained.

Surely this generation has not seen as favorable a time to get started in pure-bred livestock as prevails now. Drouth conditions and short feed supplies have forced cattle to market in large numbers and forced prices down. Pure-bred cattle have followed the market trend downward. It is a buyer's opportunity. Our cattle have always sold well worth the money in Sioux City Sales.

Catalog Lithographed By MWM Color Press, Aurora, Mo.

Show Classification

The sale cattle will be judged this year by George Lighthall of Keldron, South Dakota. It will be observed that our premium list has been reduced somewhat due to the American Shorthorn Breeders Association withdrawing their usual appropriation to our Show and Sale. This was partially offset, however, by the Sioux City Chamber of Commerce increasing their support and our Association did likewise, minimizing the reduction as much as possible.

This white steer, developed and exhibited by Willis Gebert of Granville, Iowa, was the Grand Champion Steer over all breeds at the 1954 4-H Club Show in Sioux City. He was sired by Spreading Elm Idol 2621-596, bred by Dewar Bros. of Cherokee, Iowa, and purchased by Arthur Gebert, Granville, Iowa, in our 1952 Interstate Sale for \$725.00. The steer's dam was Rosewood Favorite 2d 2583133, the sixth generation of Rosewoods bred on the Gebert Farm. In the picture, Willis Gebert is at the halter, Mr. Storge, the purchaser, and Mrs. Louise Humphrey, Chairman of the Woodbury County Foundation for Infantile Paralysis, to whom he donated the steer.

WESTON DICKINSON - I regard this bull as the best son of Edellyn Royal Leader 60th during his five years of service in my herd. His dam was the top heifer in the Collins herd when purchased. I have used him on all my cows that were not too closely related to him, but as more than half the herd are either half or three-quarter sisters, his use is so limited that I am not justified in retaining him. His head is exceptionally strong, he has heavy bone, good straight legs, smooth fleshed and the modern type all through. His sire was a \$2600.00 bull and his dam a \$500.00 open heifer.
